

## Brad Johnston

### **General Manager, Marketing and Logistics, Coal**

Brad Johnston joined Teck in 1988 as a Mining Engineer at the now retired Whitewood coal mine near Lake Wabamun, Alberta, where he progressed through various positions, becoming Chief Engineer in 1993. Mr. Johnston transferred to our Coal Mountain Operation in 1994 as Chief Engineer, before moving to Warburg, Alberta in 1998 as Mine Manager of the Genesee coal mine. In 2001, he moved to New York as the General Manager of NYCO Minerals' Willsboro operation. While in New York, Mr. Johnston also managed NYCO Minerals' Pilares operation in Hermosillo, Mexico, and the American Tripoli operation in Seneca, Missouri. Mr. Johnston was appointed the General Manager of Marketing and Logistics for Teck's coal business unit in June 2007.

Mr. Johnston completed his Bachelor of Science degree in Engineering at the University of Alberta and attended the Advanced Management program at the University of Chicago. He is a member of the Association of Professional Engineers, Geologists and Geophysicists of Alberta (APEGGA).
