

DAVID CALVERT

David Calvert is Vice President of KM LNG Operating General Partnership, and Apache Canada's Business Manager for the Kitimat LNG Project. Mr. Calvert has been Manager and Lead Negotiator responsible for the successful conclusion of all the major commercial agreements for the LNG project. In addition, he has managed or negotiated numerous additional First Nation Benefit Agreements, Access Agreements, dispute resolutions and regulatory proceedings.

Prior to joining Apache Canada Ltd. in 2001, he worked for Fletcher Challenge Energy Canada, Shell Canada Limited and Star Fire Resources Ltd.

Mr. Calvert holds a Bachelor of Commerce Degree with a concentration in Petroleum Land Management and is a member of the Canadian Association of Petroleum Landmen.
