

JONATHAN E. BURKE

Jonathan E. Burke is Vice President, Global Market Development for Westport and is responsible for Westport's sales, market development and government relations activities.

Prior to Westport, he was Director of Business Development and Investor Relations at MIGENIX Inc., a publicly-traded biotechnology company, and held investor relations and corporate communications roles in the biotechnology, medical device, and venture capital fields.

Mr. Burke is a Director of the B.C. Innovation Council, the California Natural Gas Vehicle Coalition and Board Chair of the Canadian Natural Gas Vehicle Alliance.

He holds a Masters of Business Administration and has completed Executive Education at Stanford and the Wharton School at the University of Pennsylvania.
