

WES CARSON

Vice President and General Manager, Mt. Milligan

Mr. Carson joined Thompson Creek Metals Company in 2010 as Manager Operations Development for the Company's Mt. Milligan project and was promoted to Vice President and General Manager, Mt. Milligan on September 14, 2011. Prior to joining the Company in 2010, Mr. Carson held various progressive leadership positions within the mining industry, including Director of Mining for Terrane Metals Corp., as well as roles with Barrick Tanzania, Placer Dome (Canada), Elk Valley Coal Corporation, and Cominco Metals Ltd. Mr. Carson holds a Bachelor of Applied Science in Mining and Mineral Processing from The University of British Columbia. He is also a registered Professional Engineer with the Association of Professional Engineers and Geoscientists of B.C. and a member of the Canadian Institute of Mining and Association for Mineral Exploration in B.C.
